

A Full Service Agency
(Court-Reporter Owned)

Ludwig Klein Reporters & Video, Inc., continually distinguishes itself in the Southern California court reporting community as an agency that focuses on attention to quality and to our clients' distinctive needs for reporting consistency and service. Our philosophy is that each of our clients is a premier client that gets the utmost personal attention and service, as reflected by the fact that veteran reporters personally oversee the quality control and monitor client satisfaction.

Ludwig Klein Reporters & Video, Inc., has over 35 years of experience in every manner of federal and state litigation. We carefully match reporters to our clients for fluency, reporting needs, special services and accommodations. Every client is important, regardless of their size, as evidenced by the fact that we are retained by all sizes of law firms and work on all forms of litigation, both in discovery and at trial.

Ludwig Klein Reporters & Video, Inc., also specializes in interactive realtime hookup, utilizing the most expert realtime reporters in the state.

Reporters & Video, Inc.,
*is THE reporting agency to call
for all of your reporting needs
nationwide*

Why are we different?

- ▶ We recommend out-of-town agencies to **not** C.O.D. our clients
- ▶ We provide out-of-town agencies wordlists and captions to ensure case continuity
- ▶ We refer you to quality reporters we know -- not just point to a name in a national reporter referral book -- because of our highly respected nationwide presence in the reporting community
- ▶ We are specialists in providing conference rooms in those hard-to-reach remote areas
- ▶ We provide uniform transcripts and case continuity as well as 24/7 online access to all transcripts and exhibits
